

CLARK CREEK LODGE ... PACKING LIST

Summer, 2022 : Our Best Overnight Camps Ever

IMPORTANT PACKING LIST INFORMATION

Hello Campers and Parents

Get ready for an awesome summer experience at our historic property. In packing **keep it simple**. Everything should fit in a medium sized travel bag (plus your sleeping bag). Days at Clark Creek are mostly spent outdoors, swimming, hiking, engaging in outdoor sports and activities. Evenings in the lodge are casual. This is **not** a “dress up” camp. The cabins at Clark Creek are very comfortable, air conditioned, memory foam mattresses, showers, toilets, individual storage space for each camper.

NOTE: NO KNIFES or WEAPONS of ANY KIND are allowed. They will be confiscated. **CELL PHONES** and other electronic devices are collected upon arrival at Clark Creek and placed in safe keeping. Limited access is provided at designated times during the week. **PRESCRIPTION MEDICATIONS** are collected on arrival, kept in safe keeping and distributed as prescribed. No medications are permitted in the cabins.
