To: Participants and Parents

We are planning amazing weeks at the Clark Creek Lodge for this winter camping season. Winter is a beautiful time of year in Burney. There is plenty of snow for winter sports on Mt. Shasta. Life in the lodge is great with many indoor and outdoor activities. The lodge and heated cabins are ready (and so nice!). Come prepared for snow and outdoor adventures. Bring warm clothes, enough for six days. **Bring a sleeping bag.** The beds are great but only pillows are provided.
